GOVERNMENT OF MEGHALAYA

FORM C

APPLICATION FORM

for authorization to grant Mining lease in respect of Land in which the Minerals vest in a person other than the Government.

Dated _____ day of _____ month, 20____

To,

I/We request that authorization to grant the Mining lease under the chapter V of the Mineral Concession Rules, 1960 be issued to me/us.

2. A sum of Rs. _____ and Rs. _____ being the fees in respect of this application and preliminary expenses respectively payable under the said rule have been deposited.

3. The required particulars are given below:

- (i) Name of the Land owner/Grantor with complete address and contact number:
- (ii) Is the grantor a private individual/private company/public company/firm or association?
- (iii) In case grantor is:
 - a) an individual, his nationality,
 - b) a company, an attested copy of the certificate of registration of the company shall be enclosed,
 - c) firm or association, the nationality of all the partners of the firm or members of the association.
- (iv) Profession or nature of business of grantor:
- (v) Particulars of documents appended:
 - a) Mining dues clearance certificate

- b) Affidavit in lieu of Mining Dues Clearance Certificate; subject to the production of mining lease dues, clearance certificate within the period of ninety days of making application.
 - c) Affidavit when not holding any mining lease.
- (vi) Mineral or minerals which the applicant intends to grant lease.
 - (vii) Period for which mining lease is being granted.
 - (viii) Extent of the area for which mining lease is being granted.
 - (ix) Details of the area in respect of which mining lease is being granted.
 - a) District
 - b) Taluq
 - c) Village
 - d) Plot No
 - e) Area
 - f) Map with GPS coordinates
 - g) The topographical map* showing the proposed area
 - (x) Brief description of area with particular reference to the following:
 - a) The situation of the area in respect to natural features such as streams etc.
 - b) In the case of village, areas, the name of the village and if only a part of the village is applied for, the khasra number, the area in hectares of each field or part thereof applied for.
 - c) The area applied should be marked on sketch plan drawn to scale showing on this plan all important surface and natural features, the dimensions of the lines forming the boundary of the area and the GPS coordinates and distance of all corner points from any important, prominent and fixed point or points.
 - (xi) a) Does the area applied is a forest land:
 - b) In case it is a non-forest land, a non-forest land certificate to be issued by PCCF & HoFF or any other officer authorized shall be enclosed:-
 - (xii) Does the grantor is owner of proposed land for grant of Mining lease:
 - (xiii) (a) Does the grantor have surface right over the area for which he wants to grant Mining lease?
 - (b) If not, has he obtained the consent of the owner and the occupier of the land for undertaking prospecting operations. If so, the consent of the owner and occupier of land in writing be filed.
 - (xiv) Details of lessee to whom the Mining lease is proposed to be granted by the land owner/grantor:

- (a) Name and address of the proposed lessee with contact Number:
- (b) Is the proposed lessee a private individual/private company/public company/firm or association?
- (c) In case proposed lessee is:
 - i. an individual, his nationality,
 - ii. a company, an attested copy of the certificate of registration of the company shall be enclosed,
 - (iii) firm or association, the nationality of all the partners of the firm or members of the association.
- (d) Profession or nature of business of proposed lessee.
- (e) Copy of MOU or agreement between applicant and proposed lessee for granting Mining lease be enclosed.
- (f) Financial resources of applicant and proposed lessee:
- (xv) Particulars of the area mineral-wise in each State duly supported by an affidavit for which the applicant or any person joint in interest with him.
 - (a) already holds under mining lease;
 - (b) has already applied for but not granted;
 - (c) being applied for simultaneously.
- (xvi) (a) Does the applicant previously granted any prospecting licence over the area mentioned at (x) above?
 - (b) If so, give its number and date of grant and the date when it is due to expire.
 - (c) Has the applicant or any other person carried out the prospecting operations over the area held under prospecting licence and sent his report to the State Government, as required under the Mineral Concession Rules, 1960? If not, state reasons for not doing so.
- (xvii) Broad parameters of the mineral/ore body/bodies.
 - (a) Strike length, average width and dip.
 - (b) Wall rocks on hanging and foot wall sides.
 - (c) Whether area is considerably disturbed geologically or is comparatively free of geological disturbance? (copy of geological map of the area is to be attached.)

- (d) Reserves assessed with their grade(s)(chemical analysis reports of representative samples are to be attached).
 - (e) Whether the area is virgin? If not, the extent to which it has already been worked, In case there are old workings, their locations are to be shown on the geological map of the area.
- (xviii) Broad parameters of the mine.
- (a) Proposed date of commencement of the mining operations.
 - (b) Proposed rate of mineral production during the first 5 years (year-wise).
 - (c) Proposed rate of production when mine is fully developed.
 - (d) Anticipated life of the mine.
 - (e) Proposed method of mining (Underground or opencast)
 - (i) If underground, the method of approach to the deposit mineral/ore whether through inclines or shafts,
 - (ii) If opencast, the over-burden to ore ratio and overall pit stope.
 - (f) Nature of the land chosen for dumping over burden/waste and tailings (that is type of land whether agricultural, grazing land, barren, saline land etc.) and whether proposed site has been shown on the mine working plan. Give also the extent of area in hectares set apart for dumping of waste and tailings.
- (xix) A report giving the details of prospecting carried out in the area together with assessment of the ore reserves, geological plans, results of chemical analysis of the representative samples, and boreholes and logs shall be annexed with application.
- (xx) Manner in which the mineral raised is to be utilised.
- (a) (i) If for captive use, the location of plant and industry.
 - (ii) For sale for indigenous consumption.
 - (b) If for exports to foreign countries indicate,
 - (i) Names of the countries to which it is likely to be exported where the mine is being set up on 100% export oriented or tied-up basis.
 - (ii) Whether mineral will be exported in raw form or after processing. Also indicate the stage of processing, whether intermediate stage or final stage of the end-product.
 - (c) If it is to be used within the country, indicate –

- (i) The industry/industries in which it would be used.
- (ii) Whether it will be supplied in raw form or after processing (crushing/ grinding/ beneficiation/calcing).
- (iii) Whether it would need up gradation and if so, whether it is proposed to set up beneficiation plant. Also indicate the capacity of such plant and the time by which it would be set up.
- (d) In case of coal, or other high bulk minerals/ores details of existing railway transport facility available and additional transport facility, if any, required.
- (xxi) Name, qualification and experience of the Technical Personnel available for supervising the mines.
- (xxii) Mining Plan prepared by person authorized by the Government of India in this Regard shall be annexed with the application.
- (xxiii) (i) Financial resources of the applicant.
- (ii) Anticipated yearly financial investment during the course of mine construction and aggregate investment upto the stage of commencement of commercial production.
- (xxiv) (a) Nature of waste water, (e.g. whether acidic). If so, expected pH value.
- (b) The application form should be accompanied by a statement of the salient features of the scheme of mining. This should be generally on the lines of the "Project at a Glance" given in a mining feasibility report including features relating to the protection of environment.
- (xxv) Affidavit that up-to-date Income Tax Returns as prescribed under the Income Tax Act, 1961 and that the tax due including the tax on account of self-assessment has been paid in respect of both applicant and licensee, if applicable.
- (xxvi) Undertaking for compliance with requirements of Chapter-V of Mineral Concession Rules, 1960.

I/We do hereby declare that the particulars furnished above are correct and am/are ready to furnish any other details including accurate plans.

Yours faithfully,

Signature of the Grantor

Date :

* The topographical map of 1"=1 mile scale is obtainable from the office of the Survey of India, North Eastern Zone, Survey of India , Malki, SHILLONG - 793 001 (Meghalaya). Detailed plan and topographical map are to be attached in triplicate with the original application in case mineral applied for is a scheduled mineral.

Note 1 - If the application is signed by an authorised agent of the grantor, then the Power of Attorney should be attached.

Note 2 - The application should relate to one compact area only, except when the application for mining lease is for an area already held under prospecting licence by the applicant.

Note 3- Such large size map, as may be available should be attached for proper demarcation of the area, specially when the area applied for is 40 hectares or less (No.MII-152(58)/61 dt/30.4.1963).
