 8. It shall be the responsibility of the respective Deputy Commissioner to transport assessed coal from pitheads/storage place to the designated depot.
 9. The Deputy Commissioner shall ensure that only such quantity of coal assessed as per respective owner's name indicated in Coal Inventory list and assessment report as placed before the Hon'ble Supreme Court and referred in its judgment, shall be transported to designated depot.
 10. The temporary Transit Pass shall not be handed over to any owner or his/her representative or any other person.
 11. The Deputy Commissioner shall depute Magistrate to supervise and monitor transportation of assessed coal from pithead/place of storage to designated depot.
 12. Transportation of extracted coal from pithead/place of storage to designated depot shall be allowed only with temporary 'Transit Pass'.
 13. The temporary 'Transit Pass' shall be valid only for transport of coal from pitheads to the notified Designated depots and it shall have a validity period of not more than 15 (Fifteen) days and ordinarily, the validity shall not be extended beyond 15 days.
 14. The Deputy Commissioner shall engage transporter/contractor through short notice tender to transport the coal.
 15. The Deputy Commissioner shall fix rate of freight for trucks as notified by the State Transport Authority vide order No. STA/464/85/Pt.II/620 dated 6th February, 2020 (copy of order enclosed). The transporter/interested bidder shall have to agree to the rate of freight fixed by State Transport Authority and shall only quote handling charges per MT basis.
 16. Maximum load permissible for each type of truck shall be as notified by the Mining & Geology Department (copy of Notification enclosed)

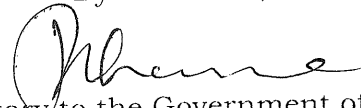

17. The cost of handling (loading and unloading charge) quoted by the bidder/transporter shall be at par with the rate charges of Hydraulic/loader cum excavator (Rs.1510/hour inclusive of diesel cost) as per the Schedule of Rates notified by PWD Department.
18. The cost of handling quoted by the successful bidder shall be communicated to the Mining and Geology Department for approval.
19. After completion of transportation, the approved transporter shall submit the bills for expenditure incurred for transportation to the Deputy Commissioner who will verify and counter sign the bills and forward to the Mining and Geology Department for payments.
20. Expenses incurred for transportation of coal from pithead/place of storage to designated depot shall be deducted from the price received of the coal in respect of each owner.
21. It shall be the responsibility of the concerned Deputy Commissioner to ensure that any coal found in excess of the quantity mentioned in the affidavit filed by the State Government before Hon'ble Supreme Court referred in its judgment dated 03.07.2019 against each owner shall immediately be seized and an action under Section 21 of the MMDR Act shall be initiated against the said owner.
22. The quantity of coal in each truck shall be measured at the weighbridge attached to the depot before bringing the coal into the designated depot. Weighment fee @ Rs 20 (twenty) per MT will be charged which shall be deducted from the price received of the coal in respect of each owner.
23. Each consignment of coal entering into depot shall have temporary Transit pass, GCV test report and weighment slip.
24. After receiving the coal in the depot, the Depot in-charge will hand over the receipt to coal stock owner indicating quantity as per the weighment conducted at the depot and GCV of the coal received.
25. The coal will be stacked grade-wise and Lot will be prepared for each grade stacked in the Designated Depot. Each lot can have coal from more than one owner, but having same grade.
26. The DMR shall take the custody of the extracted coal brought to the depot.
27. The extracted coal brought to the depot shall be disposed of by CIL through e-auction in accordance with Revised Comprehensive Plan dated 24th August 2020 and Scheme for sale of extracted coal through spot e-Auction prepared jointly by State Government and CIL.
28. The Mining and Geology Department, after deducting Royalty, MEPRF, expenses of transportation of coal from pithead to depot, weighment fee, State Cess, GST, GST Compensation Cess and 1% TCS under IT Act (if applicable) shall transfer remaining amount to the bank account of actual owner of coal stock.
