Introduction:

The Department of Mining & Geology was created out of its parent Department of Assam Government during the bifurcation of the State of Meghalaya in the year 1972. The Directorate of Mineral Resources (DMR) under the administrative control of the Department of Mining & Geology with its Headquarter at Shillong has 2(two) Divisional Mining Offices(DMO), at Jowai and Williamnagar, and 15(fifteen) other checkgates located on different strategic routes in the State. The Directorate is a multidisciplinary organization comprising a core team of Geologists, Mining Engineers, Drilling Engineers, Chemists.

The main objective of the Department is to scrutinize and accord sanction for the implementation of the plans/schemes/policies related to the critical task of (a) Geological investigation/exploration of minerals (b) administration of mines and minerals by the Directorate of Mineral Resources. The main activities of the Directorate are:-

1. Systematic exploration of mineral deposits for preparing mineral inventory.
2. Development and conservation of minerals.
3. Encourage value addition of minerals through promotion of mineral based industries.
4. Strengthen mineral administration.
5. Enforcement of mineral laws and rules.
6. Collection of royalty/cess to generate revenue.
7. Ensure scientific mining, safety & welfare measures.
8. Contribution by way of Grant-in-Aid and share capital to the Meghalaya Mineral Development. Corporation(MMDC) for mineral development activities.

Such a service requires a public participation, instant recognition and brand recall to become success and to this end and with the objective of ensuring highly visible branding and recognition amongst all section of society, the Directorate of Mineral Resources will conduct a Logo design contest to zero in on the best logo designs for the Directorate.

The terms and conditions for the contest are as follows.

1. The contest is open to all citizens of Meghalaya irrespective of age and qualifications.
